

A decorative collage on the left side of the page features several photographs and geometric shapes. The photos include a man and a woman smiling, a table with glasses of champagne, a classical building facade, a bouquet of flowers, and a close-up of hands. These are interspersed with various shades of gold, tan, and grey squares and rectangles, some of which are overlapping or tilted. Thin gold lines crisscross the collage.

AWARDS
SPONSORSHIP

WHAT ARE THE CONTRACTING AWARDS?

Contractors require a vast amount of services to help support their businesses. The Contracting Awards recognise and reward the exceptional contractor service providers who are going above and beyond to deliver excellence to their customers. The awards are celebrated with a black-tie event at the Grand Ballroom at The Montcalm on November 6th 2019.

The contracting market is not always an easy place to be, with continuous legislation changes impacting the way contractors work. We have set up The Contracting Awards 2019 to recognise the businesses that are providing exceptional service to contractors and supporting their businesses to overcome these obstacles. We believe that those that are leading the field deserve to be recognised for their contribution to the contracting industry.
